

Seniors.....MCHS Class of 2008.....YEARBOOK DEADLINES

From: Mrs. Lou Callum, Yearbook Adviser, September 2008

Senior Portraits: Taken by Bruckner's (601-372-9134) before Thanksgiving. Call and schedule your own appointment. **If we don't have a senior's picture BACK from Bruckner's before Christmas, there is nothing the staff can do to get the picture in the senior section of the yearbook.**

Senior Composite Picture (class pictures that are always on display in MCHS Commons): You must have a senior portrait taken by Bruckner's to be in this picture. You do not have to purchase the pictures to be included in the composite picture.

Senior Memory Ads: Price is \$100.00 for a half page. These pages will be in color this year. **The pages must be purchased before Christmas holidays, but the material to create the ads is not due until Feb. 1.**

Only half page ads will be used (8 inches wide and 4 ½ inches tall).

- No more than six pictures (good quality, clear photographs) per ad.
- Do not send copies of photos. **Send the original pictures** and let the staff scan the pictures into our computers. You will get your pictures back before graduation. If you send a picture that is a poor quality print, it will look worse printed.
- **Do not crop pictures or cut them in odd shapes.** The staff can crop the pictures once they are scanned into the computer. Your pictures will not be cut.
- **Do not write on the back of the photos.**
